Analytic Support
Chief, Analytic Support Group
Chief, Resource and Technology Center

From : [redacted]
Program Staff/RTC/ASG/CPAS

STAT

Subject : [redacted] -Request to Submit Manuscript
for Nonofficial Publication

STAT

1. I request permission to submit for publication the attached text titled "Network Database Systems: Analysis and Selection." This paper will be published as a technical monograph by Architecture Technology, Inc., Minneapolis, MN 55424. The text is scheduled to appear after approval has been granted for publication.

2. None of the material presented or discussed in this text is classified or is based on classified material. This monograph is based on independent research and analysis performed by [redacted] and myself as part of our general interest in database systems technology. It is not related to any work that has been part of my official duties at the Agency or any work performed by my colleague for the Agency. STAT

3. I am not under cover. I will not be identified as an Agency employee when this report is published. A standard disclaimer will be attached indicating that the views expressed in the report are those of my colleague, [redacted] and myself. STAT

STAT

Attachment: "Network Database systems: Analysis and Selection"

I have reviewed the attached text, to the best of my knowledge have found it to be unclassified, and approve it for publication.
